PROFESSIONAL EXPERIENCE

Lead Graphic Designer, Production Specialist - FASTSIGNS of Naples, FL | 03/2025 – Present

- Designed signage and wayfinding for Collier County, construction sites, and commercial properties, mocking each to scale on site photos for client sign-off.
- Built custom AI scripts and tools for Illustrator and the print process, cutting per-project turnaround time and cost by 16%.
- Hit 237% of monthly sales target ($71K vs. $30K goal) by pairing design with self-directed social video campaigns.
- Built a substrate (materials inventory) tracking system from scratch, reducing cost of goods by 7% month-over-month.

Founder & Creative Director - Orion XA.AI (Freelance), Fort Myers, FL | 2019 – Present

- Direct brand identity, ad campaigns, and video for 10+ clients across restaurants, hospitality, insurance, and landscaping.
- Designed and launched four live websites with Claude Code and Codex, including The Olea Group careers site.
- Produce AI video ads and 3D renders (Seedance, Kling, Higgsfield AI, Blender) for e-commerce and construction brands.

Filmmaker/Videographer, Creative Director - Gap City Media, Fort Myers, FL | 11/2023 - 12/2025

- Directed and produced brand promo reels, event recap videos, and multi-camera live performances from concept to final cut.
- Delivered 40% growth in client video views by producing and art directing ad content across YouTube and Instagram.

Graphic Designer, Marketing Specialist, Social Media Manager - Suite Edge, Bonita Springs, FL | 09/2023 - 10/2023

- Art directed digital marketing assets and short-form social content, boosting client engagement 20%.

Brand & Packaging Projects | 2024 – 2026

- Astro Fool's Hopper: concepted, illustrated, and directed an IPA brand end to end: audience strategy, storyline, Figma character and can art, 14-shot list, storyboards, camera direction, AI video production (Kling, Veo), video editing, sound design, and color.
- Rage Energy Drink: packaging, logo, and snowboarder character for a snow-sport energy drink, with 3D can renders in Blender.
